ANNOUNCEMENT

Re: Warning for the results of the first half of 2026

Pursuant to the Laws and Regulations of the Cyprus Stock Exchange and of the Cyprus Securities and Exchange Commission, ATLANTIC INSURANCE COMPANY PUBLIC LTD wishes to inform shareholders and investors in general that the results of Atlantic Insurance group for the first half of 2026 will decrease compared to those of the corresponding period last year.

The decrease is mainly due to the lower profits from the Company's investment portfolio. On the contrary, profits from operations are expected to register an increase mainly to the decrease in payable claims as well as the increase in net insurance income.

Yours,

Emilios Pirishis
Chairman
