ANNOUNCEMENT

Re: Warning for the results of the first half of 2025

Pursuant to the Laws and Regulations of the Cyprus Stock Exchange and of the Cyprus Securities and Exchange Commission, ATLANTIC INSURANCE COMPANY PUBLIC LTD wishes to inform shareholders and investors in general that the results of Atlantic Insurance group for the first half of 2025 will be significantly increased compared to those of the corresponding period last year.

The profits from operations are expected to register an increase mainly due to the decrease in payable claims as well as the increase in net insurance income.

The profits of the Company's investment portfolio are also expected to register an increase.

Yours,

Emilios Pirishis
Chairman
